Algeco encourages you!
Save the trees, save paper

Dear Customer,

Saving a few trees and simplification of the procedures is a significant benefit for every company. Such a possibility is provided for in the Regulation of the Minister of Finance dated 17 12 2010 (Journal of Laws of 2010, No. 249, item 1661), allowing to account the invoices received via electronic way (e-mail). Electronic signature is not required, and the printout of the invoice constitutes an accounting document. In order to simplify and accelerate the process of reliable invoice submitting to the adequate persons in Your company, we offer a possibility of sending the e-invoices directly to the e-mail address of the person responsible for the payments. To this end, we ask you to sign the below "Consent for receiving invoices via electronic way" and sending the document back to Algeco Polska Sp. z o.o. to the address:
